"Preparing a new generation" in Monterrey, Mexico

Dear Ministry Partners,

Thank you for your prayers and support these past two months!

Deputation Travels: These past two months the Lord provided a full schedule with meetings in PA, OH, IA, SC, and FL, as we traveled 8,450 miles. We would like to say a special thank you to all the churches who have allowed us to share God's work in Monterrey with them and to the families who have opened their homes to us. A big thank you to IBFT, Jason's ordination council, and all those who helped make his ordination weekend so special!

Visas: We have also been busy preparing paperwork for visas and our move to Mexico in July. Thank you for your prayers that God will give us wisdom and grace in the sight of those who will process our visas. After three trips to Columbia and a trip Raleigh, we are now waiting to hear back from the Mexican consulate about the next step in the visa process. Since we are ministering in PA and New England this month, we hope not to make too many trips down to the Raleigh consulate.

Baby Boy Due Date!

Beginning of fall trimester at UCLA

Itinerary

Baby Update: Thank you for your prayers for Heather's health during these last two months of her pregnancy. Thanks to Susan Bixby, we now have a hospital room reserved in Monterrey as well as a doctor scheduled to help with the delivery (due date is July 31).

Support: Praise the Lord for His provision of 65% of our needed support. Thank you for your prayers that the Lord will provide the remaining 35%. At this point we are planning to return next March to finish up deputation, though we would love to stay in Monterrey. We are thankful God's timing is best and appreciate your prayers with us in this.

Moving Expenses: We are thrilled to be moving to Monterrey! This means that we will have many extra set-up expenses in the coming months. Please pray the Lord will provide the needed funds and give us wisdom in making purchases. In addition to other moving costs, we will need to purchase kitchen appliances and cabinets, a washer and dryer, and possibly sinks and closets, since rental houses in Mexico do not come with these things.

Thank you so much for partnering with us to prepare a new generation of Christian leaders in Mexico.

Gratefully,

Jason, Heather, Ana Sofia, & baby Armstrong

Jason's Ordination Council

We are so grateful for the godly influence of these men in our lives!
