*"FOR SO HATH THE LORD COMMANDED US, SAYING, I HAVE SET THEE TO BE A LIGHT OF THE GENTILES, THAT THOU SHOULDEST BE FOR SALVATION UNTO THE ENDS OF THE EARTH." ~ ACTS 13:47*

January 2018

As we start this new year we are thankful for all the Lord has allowed us to do in 2017 and we look forward for what He has in store for us in 2018!

**Bible Study and Visitation**

We continue with the weekly bible study in Los Cerrillos. We praise the Lord that we have had new people almost every week. We have been knocking on doors and working in the neighborhood trying to get to know the community. We have met some very sweet people. We have found a lot of youth and young married couples in this area. But one phrase that we continue to hear is, "We have no church in this area!" This excites us and breaks our hearts. Breaks our hearts because there is such a great need. We are certain that this is where God wants us to be. Continue praying as we move forward laying the ground work for this new church.

**Church Building**

We are still working with the Mayors office to see if we can rent a Neighborhood building ran by them. We have submitted a plan and our desires to the Mayor and he is supposed to make a decision by the end of January. We have also been looking into houses to rent. Unfortunately, we have not found much in our price range. The houses we are finding are new constructions and the price doubles in comparison to other houses. But we are not discouraged! We know the Lord has this in His hands and He has the best place for His church! Please keep this in your prayers that we will find the place the start the church plant in God's timing!

**Prayer Request**

- Opportunities to present the gospel
- Door to door visitation
- A place to house the church plant
- Health and Strength of our family

Thank you all for your support! We appreciate each and every one of you!

God Bless,
