What a joy it is for me and my family to greet you once again through this letter report, and to communicate to you all the events that had happen in the mission field here in Panama. We are very grateful for your support for this ministry and that your prayers are a great blessing to our lives.

In these months many things have happened, we have had so much work and activities here in the field. Thanks to the Lord, our evangelism programs on Tuesdays, Thursdays, and Saturdays are giving to our church an opportunity to become involved in soul-winning and serving the Lord. We have had very good results every week of these programs of evangelization, the kids routes have increased; Although we had an accident in our car that is the one we use to pick people from the different routes we have. If you can help us praying for the repair of this car we use as transportation, it will be a blessing, and if God puts in your heart to help us with a special offering to help with the repair costs will be a greater blessing. We need \$1,900 to cover all those expenses. In addition, we have the need for a new baptistery, which we have thanks to God has worked for many years but we now have to replace it. The baptistery has cracks and is about to collapse as you can see in the photo; The material has deteriorated, I ask for your prayers and support because we need approximately 1,400 dollars to make one with metal, stairs, and base.

We thank God for one more anniversary in the month of June, we have had many activities. In our anniversary our new children chorus sang, it was a celebration where the families were happy; We all ate and more than 23 people received the Lord as their Savior. In addition to all these blessings we received the visit of my in-laws the Evangelist Rafael and his wife Alma de Fiesco with us in August. The evangelist Rafael Fiesco preached in our church and was a great blessing. My daughter, my wife and her mom, sang a special song to the Lord. It was a joy for me to see 3 generation of Christians ladies praising the Lord. They visited us and brought my daughter's books Abihail who is going to be 12 years old on September 2; and she will start her seventh grade of Home School.

Another blessing in these months of our ministry, we will have a wedding in our Church; Sister Jennifer and Brother Cristian got engaged in the church and within a few months will be the wedding. It will be a blessing to be able to marry these faithful couple who serve the Lord.

Thank you once again for reading our report, for your support and for your prayers. If you still do not support us monthly, we encourage you to support us economically, there are always needs and there is always something to invest for the eternal things of our God. You can send your offerings to: Pacific Baptist Mission 1000 Pine Ave. Long Beach Ca. 90813.
