

SEPTEMBER 2017 PRAYER LETTER

Baptism/Harvest Day

As Thanksgiving is just around the corner in North America, we also take the time as a church here in Moldova to thank God for the harvest that He has given each of us. Since Moldova is an agricultural country, most people have land that they farm or at least a large garden by their house. Along with thanking God for the abundant harvest of food that He provided this year, we also celebrated lives that were being dedicated and given to Him through baptism. This year, we had three people that were baptized. Hannah, our oldest daughter, has a true love for God and wanted to obey His command to show people outwardly the decision that she made to give Him her whole life. The second one to be baptized was one of our teenagers, who has been in church since he was just a boy, but made a decision this summer to truly follow God. The last one to be baptized is an older man, who has attended the church for more than 10 years. Over the past few years, he has come more frequently to church. Despite his entire family being against him getting baptized, he chose to stand in front of everyone and proclaim how God had saved him from his sin. Please pray for these three to continue to follow God's leading and guiding in their lives. Pray also that others would follow their example to give their lives to Jesus.
