MAY-JUNE Update

away. Not to mention it is one of the only places to find power, medical services, a grocery store, a hardware store and fuel station for many miles around. However, there is not one gospel preaching church. I have already spoken to the government officer in charge there about locating a piece of property and we are moving forward slowly. Please pray that God will open the door soon for us to begin regular services there.

Our land project is still moving forward. We only need another 2,250 to reach our goal. Please continue to pray about this need.

My wife and I are looking forward to welcoming our fourth child this October. We are planning to have the baby in the Pacific International Hospital located in the capitol city of Port Moresby. Please pray that all goes well with the delivery.

Brother Doug Devine has been a friend to us for many years. He has offered to come and help us here in the ministry for as long as the Lord will allow him to. He will be able to help with encouraging my family personally, helping with outreach as well as many kinds of building and maintenance work. Please pray for his health, financial provision and safety on this trip.

Many times people think that missionaries may not want a visitor. Perhaps there are some missionaries who have had a lot of visitors and feel overwhelmed by them. We haven't had that experience. If any of you reading this letter have ever considered visiting the mission field, please contact us. We would love to share our mission field opportunities with you. There are many more opportunities here than I can even list. Our prayer is that we will have many visitors in the future.
