

April/May 2017

Dear Praying Friends and Family,

On the 9th of April, we held our first service with 33 in attendance! Our biggest hurdle was finding a place available for the church to gather. God led us to a beautiful location right on the edge of Adelaide giving us a spectacular place to reach into the city and surrounding suburbs. The facility is equipped with a piano, chairs, kitchen, and AV system (media and sound). We could not have asked for a better place to meet.

This past month, I have been following up with those who have attended our services to answer their questions and be an encouragement to them. Pray that God would see fit to help them find a home with us.

This past Saturday, we joined the Luz family to help letterbox their community. They will be starting a church about an hour away from us on the southern side of the city. Please pray for this dear family and their brand new church. Adelaide is in great need of more solid churches such as these.

My next few weeks will be busy organising various outreach ministries for a team from MTT Ministries that will be joining us for the first 13 days of June. Their focus will be to engage our community with the Gospel and inform our city that our church cares for them. Please, pray specifically for the following outreaches that God would allow us to blanket our area with the message of Christ.

- Pancake Breakfast with a few of our local high schools
- Park outreach near several primary schools using music, Gospel message puppets, etc.

- Street witnessing at the main Adelaide train station and in the main outdoor shopping mall of Adelaide using music, evangelistic chalk drawings, etc.
- An open house/evangelistic meeting at the hall where we meet providing a relaxed meet and greet opportunity for our community, as well as, sharing of the Gospel.
- Youth Night
- Leaflet distribution in letterboxes

Each event will introduce the community to our church and engage them with the Gospel. Our biggest expense will be our leaflet distribution. \$1,000 will provide all the literature we need for these events, please prayerfully consider giving towards this project.

The cause of Christ is moving forward and we praise the Lord for the opportunity to serve Him here in Adelaide. As always thank you for your continued prayers and support of our ministry.
