MINISTRY UPDATE

Fellow Laborer in Christ,

We praise the Lord for what God has accomplished this year. We have been a part of starting over 45 churches, bringing our total to 643. Thank you for partnering with us to help these pioneers as they plant churches all over the world.

Early this November, I was joined by Brian and Eric Houston on a trip to the Philippines. Our primary purpose was to get updated footage in order to create a new ministry video for Global. We interviewed 17 pastors in seven days highlighting the most important part of our ministry, lives that have been changed by the gospel.

God truly blessed our trip. The churches we visited are thriving and reaching the lost. It was a privilege to meet these men of God, see their churches, and hear their stories. It is amazing to see how they have sacrificed comforts and temporary wealth in order to build churches and to reach the lost.

Not only were we able to see many church plants and get hours of valuable footage, but I was able to preach many times and saw dozens of souls saved. One of the most memorable times was when I preached one night in an open air building and the power went out for as far as we could see! Fortunately, I had an iPad, so I was able to preach in the dark. I am not sure if any got saved that night, but I can tell you the bugs were not as bad tasting as you would think.

Thank you again for your prayers and support this year. We are excited to see what God does in 2018!

Sincerely,

Kyle Harrison
