Dear Prayer Warriors and Laborers in The Lord's Harvest,

It's great to be saying hi to you again from Valledupar, Cesar, Colombia. The weather here has changed to windy and dry. Even though, the weather is better than it was this time last year. The political situation is that they are losing count of the Venezuelans entering the country right now. There are lots of things that are happening in Venezuela that don't make the news.

A Persistent Problem

There is a persistent problem we face. There are a lot of single mothers and several unwed that are living together. There is a lot of breakdown of the family. One young mother that has grown spiritually faces a tough decision about whether to renew her relationship or not to with the father of her daughter and former husband who left her. Please help us pray for her to have wisdom in that situation.

Two That Were Saved

Thanks for praying for the couple I mentioned in our' last letter. Their names are Kevin and Karen. Thank the Lord, they were saved in the month of November. So, we are in the first steps with another group to disciple. Please pray that those that are being disciplined will be able to disciple others. We still have a great need for workers.

One Called To Preach & Other Good News

Others are coming along in learning the basic doctrines. Bro. Simeon senses that the Lord has called him to the ministry. He is a doctor and a very busy man. He has a zeal for the work of the Lord and has invited several people to Church. Please, we ask that you pray for him and his family. His daughter is not saved.

In the Church I have continued with an in-depth teaching on stewardship. There is a lot of the prosperity gospel taught here. The Church is learning, (thank the Lord), and has paid the rent for the last nine months.

Trusting The Lord For Help

Pastor and Missionary Alberto Gómez was with us the first week in the month of December. It was good to get to know him and learn from him. He has a team of workers and has helped several missionaries throughout the years here in Colombia. He has successfully founded works and taught the indigenous Church principles here. Please pray that we can be a blessing and do the Lord's will in deepening our' relationship with them.

Other Needs

Thank the Lord, that we continue to receive visitors despite sicknesses and folks travelling. Please pray for a lady named Marta and her nephew Emilio for salvation. Please pray that I can get to go to Bogotá at the latter half of this month to renew my passport and move my visa to the new one. Thank you for praying for Hannah and the family. Two times we nearly had to admit Hannah to the hospital for bronchitis. Please continue to pray for our' health and safety.

Prayer For Us

We hope you have had a great Thanksgiving, Christmas, and New Year. We are looking forward to a momentous year. As always, thank you for your' faithfulness to the Lord in praying and giving.
