June/July 2017

Dear churches and faithful friends,

The last two months seem to have just flown by, and it has been such a contrast of events. We've done everything from literally walking into churches and preaching to getting attacked by squirrels! The latter was a skit for the kids at camp, and sadly, the squirrel won.

We thoroughly enjoyed serving at Camp JOY in Ava, MO during the month of July. I've been going there since I was eight years old and was privileged to return as the missionary speaker and counselor. These roles involve both faith and fun, and occasionally pain--as mentioned before with the squirrel attack skit!

God worked greatly at camp this year with 26 kids saved and several assurances. Teen week was especially thrilling because of the response to missionary hour! There were many teenagers who responded with a desire to get involved in the service of our Lord!

Our family is doing well, though there have been some stumbles along the way, literally. Gabriel took a leap of faith off a set of stairs in June. I don't think either Shaney or I have ever been so scared! Thankfully, God protected him and he walked away with only a bruise on his forehead. A big relief to our very concerned hearts!

Adelyn continues to grow so quickly! She is determined to sit up and loves watching Gabriel. Shaney has also tried to give her formula, but she is solidly against fake milk!

Thank you for your continued prayers, love, and support. We're already looking forward to our next letter to update you on how much our family and support have grown!

In His Service,
Nick & Shaney Hilliard
