August/September 2017

Dear supporting churches and friends

If there was a simple way to sum up the last two months it would be “*Reflect & Recharge.*” The way that God opened the door for us to present our ministry in churches was nothing short of amazing. It was definitely a time where we could look back and say, “Only God could have done that!”

August was such an encouraging month for us, filled with several great meetings. It was also a sobering month for me. I attended the funerals of three friends of mine. All three men had a testimony of salvation, but we all know that it is still difficult for their families. I ask that you would please pray for the families of Garnett Kelly, Jake Wright, and Bill Kelsey.

September was unique for us as we became the first missionaries of a church plant in Chesterfield, MO. What an honor to be a church’s very first missionary! Another highlight was the Home Missions Conference at our sending church, FBC of Milford. It was an encouraging time for us with friends and family, as well as a time of learning. It was such a privilege to glean from the experiences of our veteran missionaries!

Just a brief update on our quickly growing children... Gabriel is now talking, although we have no clue what he says except for a half-word here and there. He has also recently been banned from touching our cellphones due to many phone calls he has unknowingly made to 911! Adelyn is now sitting up, playing, and almost entirely used to bottle-feeding now. She thoroughly loves her brother who makes her laugh often.

Though we have been recently blessed with some rest and relaxation, we have a very busy schedule ahead of us! We have six mission’s conferences almost back to back! This is a huge blessing, and we will definitely be needing prayers for strength, health, and safety as we travel!

In His Service,
Nick & Shaney Hilliard
