A great big hello and praise the Lord from down here in Costa Rica!

The month of November for us is an extra special month – it's the month when our 31 congregations in Costa Rica, through their mission conferences determine the direction and goals that will guide us in our exciting pilgrimage with Christ this coming year. It's a time when we evaluate, plan, do, check, and act for advancing Christ's wonderful gift of salvation, discipleship and attaching our enemies, self and Satan .

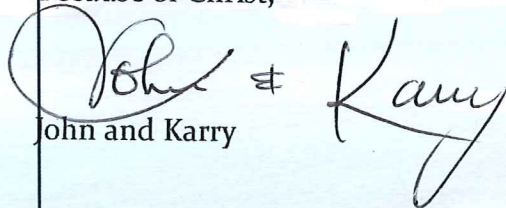

Besides all this, our project for the van is coming along great. To date we have \$12,625.00 promised. We are so thankful for this but as you can see it's not enough, in fact, it is about half of what we really need!

Schools will be out in December, the first of January Roger and his family will move to the camp for two months because there are camps non-stop till school starts again in March at which time he begins the ministry in the schools once again – think VAN!

We need that van so badly! Honestly!

Please, help us get the rest of the money we need for this ministry. It will make your investment and outreach much larger and more effective and that's what we want for you. More seed will be sown, more souls will be saved, more disciples will be made, and our churches strengthened. And, yes, our number one goal, God will be honored, Christ served and the Holy Spirit pleased. We still need your help.

Because of Christ,

John and Karry
