Christmas 2017 Newsletter

Dear friends in Christ,

Greetings to you in the loving name of Jesus Christ our Lord. We hope you had a wonderful Thanksgiving and may the Lord give you a wonderful Christmas season that would be totally Christ centered.

Update on Geneva: Geneva has been slowly going down because of her Alzheimer's disease. She is a very precious woman who never complains. She certainly is not bitter at all and has deep faith in the Bible and all of its promises of hope beyond the grave. She worked for the Board of Education for 30 years and was faithful to her church. For 32 years she sang in the choir and was a part of many other ministries. We sometimes get heavy hearts when we see her suffering and at times it hurts deeply. We are very grateful for the hospice workers who have done so much to help us. The nurses have been wonderful and have really encouraged us in this time of testing. Also, Geneva has 3 daughters and they have shown real compassion and love for their mother. We are doing our best to take special care for her in his very trying time.

Special Thanks: We want to personally thank Bearing Precious Seed for supplying us with the New Testaments that we mail into Jewish homes. They have sacrificed so much to help us in our outreach into Jewish homes. We owe a debt to Bro. Tom and Mt Zion Baptist Church for processing these addresses. Bro Tom and his associate are now trustees for Voice for Israel. If something was to happen where I was not able to lead the ministry, the work would certainly continue. Recently, they brought us another shipment and it is somewhere near 1,000 New Testaments. We have been able to send them out as churches have agreed to mail them. We rejoice in every Bible that is mailed out and pray they open the hearts of every person they reach. There is also a young Christian man, Kevin Gregory, who comes in every couple weeks to help out in the office and has been faithful to this ministry over the past several years. Please pray for him and his wife as they are expecting their first child in February.

This coming February, I will celebrate my 50th year in Jewish evangelism! Also, this coming summer will be 39 years that I have been involved in mailing out New Testaments into Jewish homes. We have literally mailed out thousands upon thousands of Bibles to different cities, states and countries. May God richly bless each and every one of you who has had a part in this ministry!

In Christ,

Bro Jack L. Davis

Remember to keep looking up, for He just might come today!
