Missionaries to South Africa

# THE HALL Family

Dear Friends and Family,

We are praising the Lord here in South Africa for God hearing and answering our prayers. We see His hand at work on a weekly basis. Let us share some of the highlights from this past month.

We have been praying all year that God would use us to see 60 people come to Christ and follow Him in baptism through our church. Recently I was able to see God answer more of that prayer as Anthony and Audry Killion came to know the Lord. Along with them, two other married couples followed the Lord in baptism. We were able to baptize 3 married couples all on the same Sunday morning! Praise the Lord! We had been longing and faithfully expecting God to answer our prayers and He continues to do so.

Our Bible Institute started back up last week. The students are back working hard in their classes and love every minute of it. We are excited at the growth we see in them and are hoping and praying for more students.

We recently helped in funding the building of a "shack" to hold services in an area that doesn't currently have a church. Pastor Siphon of New Life Baptist Church, (a church plant by Missionary Mark Coffey), has put up a structure in Kwadwesi Extension and began holding services there last week. Pray for this new church plant, specifically for souls to be saved and disciplined in this area.

We have a little bit of a setback at Grace Baptist Church. We are really in need of some extra seating. We thought we were going to be able to extend our auditorium but have recently gotten news that the ownership of the building is somehow "unknown" and therefore too much of a risk for us to change the structure without the proper authorization. Please pray with us that we would either be able to get legit authorization or the Lord would provide us a permanent and more suitable building.

Tomorrow I will be doing a funeral for the mother of the first Xhosa young man I met when I came to Port Elizabeth. Lubabalo Sitole, pastor of Madiba Bay Baptist Church's mother passed away recently. He has asked me to preach the funeral. Please pray for this service. There will be ALOT of lost people there. I am going to be preaching a very simple gospel message from Mark 11 on Blind Bartimaeus. Please pray that I would have boldness, and my tongue would cooperate in speaking Xhosa:)

Thank you for all your prayers and support,
