Dear Friends and Family,

A lot has happened this month. A close family member has passed away, an apprenticeship has begun, and many new plans have been put in place to reach people with the gospel.

Sadly, just a few weeks back we received a call early on Sunday morning that my wife's brother had passed away at 33yrs of age. It was shocking and heartbreaking to our family. He was planning to get married this month. Many of you have already reached out to our family and prayed for us and for that we are extremely grateful. I would ask that you continue to pray for my wife and her family as they continue to deal with the pain.

On a exciting note, we just kicked off a preacher apprenticeship program at the church. Damien Ras, 18yrs old, who is studying in the Bible Institute, is learning with me during the week. He has committed to serving the Lord with his life. Please keep him in your prayers to learn all he can during this time.

We just began a new goal to get the gospel to every house in the western suburbs of our city. Damien is helping a lot with this but others in the church get involved on Saturday mornings as well. We are praying that we would see 60 saved and baptized 60 through this effort. Please pray with us about this!

Our church is currently in need of their own building. We rent a scout hall right now basically just paying the utilities but the space is becoming an issue. The building is quite small and doesn't allow for growth. If we could purchase the property and build a separate sanctuary we could make the property work, otherwise we will need to move. Either way we are needing to move ahead with purchasing a property. I believe it will be a great step in the right direction of getting the church autonomous. There has been a lot of confusion about the properties we have looked at as far as ownership is concerned. Pray that we would get clarity on that and direction to move forward with the best property for what God wants to do through this local church!

Corli and I just celebrated 13yrs of marriage! That is hard to believe. I look at her and she is more beautiful and looks as young as ever, then I look in the mirror....God truly gave me a good wife. She has been great to me and is an incredible mother and Christian. I look forward to spending the rest of my life with her.

Until next time know that we are praying for you and love and appreciate all the prayers and support you send our way. We are doing our best to make an impact for the glory of our King in South Africa!

Doing our Reasonable Service,
Kevin, Corli, Clark, and Hudson Hall
