MAY/ JUNE 2017

Dear Churches and Friends,

Since our last update we have had quite a few activities that it would be impossible to include it all on a one page letter. We'll have to just share the biggest highlights!

Trinity Baptist Church

A couple months ago we were able to officially constitute Trinity Baptist Church. My father-in-law, Tracy Fleming was here and preached that morning service. Since then our co-laborers, missionary David White and Camilo Encina have started a new and exciting outreach! The church is located in one of the communities with the largest Haitian population so they have begun a Sunday service option in Creole. Each week about 15 Haitians have been attending! Several have made professions of faith and are actively being discipled.

Hope Baptist Church

We saw the completion of an addition to Hope Baptist Church's building which added much need seating space. It was just in time for us to be able to hold our first wedding in the building and to have one of our higher attendances of 82 people! As we seek to take advantage of the new space, Jorge and Constanza started a new Jr. Teen class.

Men's Retreat

We are proud of the great group of Christian men here in Chile. In May, the men of Hope Baptist Church hosted a men's retreat. We had men from 7 churches come and enjoyed great preaching by two national pastors and missionary Jason Holt.

Hugo married Celinda. He was one of the first persons to accept Christ when we started the church.

Pastors' Conference in North Chile

The first week in June, I was able to travel to North Chile to participate and teach at a pastors' conference hosted by the Missionary Baptist Church of Iquique. Pastors from Chile and Peru attended for four days focused on mutual encouragement and passion for the ministry.
