### Celebration Service

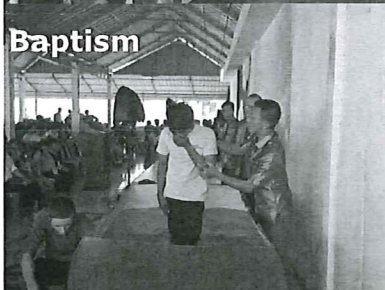

Dear friends and co-labourers in Christ,

June and July 2017

Greetings from Cambodia! We are thankful that we can share with you all what God has been doing the past couple of months.

On June 18, we held another Celebration Service. We thank God for keeping everyone safe as they traveled from various areas and villages to attend. God really blessed and the service was tremendous! We are thankful that 17 people followed the Lord in believers' baptism! Please pray for the new believers as they purpose to live for Him in their lives.

### Baptism

Last month I started a ministry reaching out to deportees from the US. We play basketball with them every week on Tuesday and visit them every Saturday morning. There are about 10-12 of them who go every week. These men are Khmer who have lived in America for most or all of their lives. Some have lived in Cambodia for three or four years, some have only been here for a few months. They all have a hard time living here because they don't understand the culture and traditions of Cambodia. I am praying that God will allow me to start a Bible study in the near future with these men. Please pray for God's guidance in this new ministry.

### Ministry with guys from U.S.

This past week, Srey Touch, one of our fellow sign language classmates, came to our deaf Bible study for the second week in a row. This time she invited several of her friends. Two of them were college age, and the rest of them were family members. We thank God for this opportunity to witness to more people. I have started to teach them English as a way to reach out to them. Every Sunday evening before we go to church, they will come early to spend some time with our family at our house. They seem to really enjoy our church and the classes we have for each age group. Please pray that Srey Touch and her friends will get saved.

### Srey Touch and friends

Another group that we are working with are a group of high schoolers in Krang Pungro village. My daughter, Lynn, and I have just started teaching these young people English as a way of reaching them with the gospel. We are thankful that Mardy and his family (faithful members of our church) allow us to use his property to teach them. If these teenagers get saved, there would be potential to see their families and friends get saved also. Right now we are working with eight young people. Please pray for their salvation: Srey Lin, Sareth, Seavmay, Srey Na, Sina, Sereth, Danath, and Esther.

### Young people in Krang Pungro village

On July 17th and 18th, missionary Bounna Has and I were able to go teach a potential church plant in Romdeng village. This village is located in Preah Vihear province and is about a four hour drive from our home in the capital city, Phnom Penh. We are very grateful to God that Vanthy, his wife Channy, and their neighbors are very open to God and have a hunger and thirst to learn from His Word. Since the beginning of this year, they have made several trips to visit our church in Phnom Penh on their own. We have already visited their village three times, and we are planning to keep on visiting them at least once a month for the rest of this year. Please pray that God will reveal His will and mind concerning this group of prospects.

### Romdeng Village

Thank you once again for your prayers and support! We are so thankful to be a part of a team that stays busy in reaching Southeast Asia for Christ! Please let us know if we can be a blessing to you in any way.

In Christ,
