December 1, 2017 Prayer Letter

**Dear Ministry Partners,**

In this season of Thanksgiving, we're especially thankful for you! Thank you for your prayers and financial support! It is an honor to partner with you in ministry. We hope your Thanksgiving was blessed, and also pray the Lord's blessings for you as we all celebrate His birth.

We praise the Lord for 40 Soldiers who have trusted Christ through this ministry during October and November! Amen! Many of those were saved while we were on the road, and dear brothers in Christ filled in for us. The harvest truly is plenteous, and we're thankful for those men who have stood in the gap for us!

We praise the Lord for the safety he has given to us in our travels, and rejoice in one more church partnering with us in prayers and financial support! We also praise the Lord for keeping our oldest son, Andrew, safe during Hurricane Nate; and, for keeping our youngest son, Jordan, safe in a car accident he was involved in on his way home from church Wednesday night. Thankfully, the people in the other car were kept safe as well! We do ask your prayers about a replacement vehicle, now that our red car is undriveable. Jordan was also in the process of looking for a job, and plans to attend a community college beginning in January, with the help of some scholarships. We really need to have a second car. Would you please pray with us about our transportation needs, and for a job for Jordan as well?

We praise the Lord that for the first time ever, a Female Soldier, who also happens to be a Drill Sergeant, attended one of our studies! Her name is Rose. She is a professing Believer, and she stayed for the entire study. It's our hope, that now that she has seen the study for herself, that we will be allowed to have female trainees attend our studies. Please pray about this as well.

**SOLDIERS REQUESTS**

*"Strength and resiliency against temptation"*  
*"Please Lord help me have the mindset of being successful and show me the right path for my life."*  
*"Spiritual guidance for my fiancée and myself as we spend time apart"*

Thank you again for your support of this ministry! May the Lord bless your faithfulness.

***Merry Christmas!***

Yours for souls at Fort Benning,

*Dan & Kelly Kursinsky*
