# Liedtke Update, Belize

December, 2017

## Merry Christmas!

Dear Friends,

It has been a blessing to report to many of you in person this Fall! Our latest trip took us over 3000 miles up into Canada and then to MI, IN, and OH, where we were able to share with several churches as well as individual supporters. 5 new churches are supporting!

We asked prayer in August for Libby's health and schooling. Since then she has had her gall bladder removed and we are working to get some lingering issues resolved. Thank you for your continued prayers for her. She is adjusting to school and we look forward to the choir concert she will be involved in this week.

**\*\*We have some open dates for Jan-March of 2018. Please contact us if you would like us to come and report.**

## Opportunities Ahead!

As many of you know, upon our return to Belize in June, we are looking to start a new church plant. We have been praying and researching where the best place would be for this new work and have been looking at the centrally located capital of Belmopan.

2 weeks ago we became aware of an almost 10 acre piece of property , wonderfully developed and with an auditorium, several houses, dorms, kitchen, pavilion, and more, in that area. In fact, it is a piece of property we looked at with our pastor over 7 years ago! At that time the property got bought very quickly by another entity. Upon contacting the owners, we learned that the property is valued at over \$600,000 USD, but if a ministry purchases it , the cost will be \$360,000 USD. **\*\*\*We are asking the Lord for this property in order to start the next church and run a Bible Institute, camps, retreats, etc. there.** Will you pray with us? Will you ask the Lord how you could help? Many, many lives could be impacted for Christ in such a place! Below are a few pictures. In Christ. Mark, Brenda and Libby
