2017

Dear Pastor and Church,

I apologize for being late with our prayer letter but not much has changed since we last wrote to you. Barbara is having a difficult time with her shoulder replacement surgery. She has made some progress but still can only raise her right arm about half way before the pain sets in.

We did not make it to Okinawa. The missionary that I was to relieve notified me after I sent out our prayer letter that he had changed his mind and would only be coming back to the States for two weeks. It was for the best because Barbara was not ready for traveling yet.

Please pray for our men and women in the Armed Forces that are still in "Harm's Way." Our country is getting ready to send many more to the war zones in Iraq and Afghanistan. We have seen the loss of lives already and can only imagine the pain and suffering of their loved ones. I thank God for those who are willing to go and defend the freedom we have and to be a help to other defenseless people. I thank God for the price that has been paid for our salvation and for those who continue to pay the price for freedom. May we never forget them.

Barbara and I want you to know that we are truly grateful to you all for your love and generosity. Still, our greatest prayer request is that you continue to pray for our health. Pray that we may soon be back with our Military as we continue serving Him.

In His Majesty's Service,

Rodney J. Parrott and family
