Dear Pastor & Church,

It has been almost three months since our last newsletter. Barbara had her right shoulder replacement surgery and she is recovering well. She is having therapy and the therapist is concerned about her muscles around the replacement. She still can't lift her arm completely yet. Keep praying for a quicker recovery.

I'm waiting to hear from Okinawa to come and take the work there sometime this summer. I may have to go without Barbara until she is able to travel. I heard the doctor tell her on our last visit that it will take more than a year for her to fully recover.

Continue to pray for our men and women in the Armed Forces that are in "harm's way" right now and especially for the families of those who have given their lives. I can only imagine the pain and suffering of the parents' loss of their loved ones. The cost of freedom is very costly. I thank God for the price that has been paid for our salvation and for those who continue to pay the price for freedom.

Again Barbara and I are so thankful for your love and generosity. Our greatest prayer request is that you continue to pray for our health and that we may soon be back with our Military as we continue serving Him.

In His Majesty's Service,

Rodney J. Parrott and family
