Dear prayer/financial partners,

As we approach departure for Grenada, our adversary is, once again, throwing curve balls at us trying to get us distracted. American Airlines is having all kinds of schedule changes. We just found out about the changes and this is now requiring us to leave a day earlier than we had planned. We must have an overnight stay, that we did not plan on, in order to get to Grenada on July 5, which is one day before the first team members arrive. This is the first time in 16 years that we could not get to Grenada, or get back home, in one day of flights.

We have grown to expect these attempted distractions as they happen every time. It also gives us reason to expect great blessings or the attempted distractions would not have happened in the first place!

We thank the Lord as, once again, He has raised up a sell out crowd! There will be 60 of us this summer! With this many hands and eyes, we are planning on all 5 Vacation Bible Schools and evening street meetings at two different locations.

We seek your fervent prayers for souls, safety for all the team members and that no sickness would fall on anyone.

A complete update on results will be sent to you upon our return.

Thanks for all you do for this ministry! We simply could not do this without you!

We are anticipating great things in Grenada this summer! Thank You, Lord! Keep praying!

Serving with joy unspeakable,
