

Dear prayer & financial partners -

Thank you so much for your prayers & financial support of the Grenada ministry! You are an important member of this team & we could not continue in this work without you! This prayer letter will be shorter than most as we are simply sharing a few prayer requests, because we know you pray!

PRAYER REQUESTS:

1) – for one of our pastors, Pastor Garnet Samuels; he was hemorrhaging in one of his eyes and loosing his sight; he flew to Jamaica to see the eye Dr. and after some tests was told his “good” eye was also developing vision problems; please pray for the Dr. to have wisdom as to how to proceed; for finances that Pastor Samuels needs for the treatments & possible surgery; and for complete healing. Also pray for his wife Dorothy & 2 children who are still in Grenada.

2) – for Terri’s brother John, who is 4 years younger than her; he was just diagnosed with cancer ... in both lungs, his sternum (bone), and lymph nodes; he has chosen not to have chemo treatments; please pray for John as he endures these cancers, for our family, for decisions being made, and wisdom for his Dr.; it has been John’s prayer that he would not die before our mother –and God answered that prayer!

3) – for Terri – she will be having surgery the morning of November 10th on her esophagus & stomach; she has a large hiatal hernia that needs to be brought back to her abdomen, but tests have shown that her esophagus only works 30% of the time, so the “normal” hernia surgery can not be done; the four hour surgery to wrap the esophagus is planned to be done laparoscopically; she will then have a 1-3 night hospital stay, then 4-6 weeks recovery at home. Please pray for quick & complete healing as we leave for Grenada January 4th! (we will keep you updated!)

4) – for Kerry, as he tries to continue our speaking schedule alone after Terri’s surgery; pray for safety on the road, and stamina to share the ministry without her being with him.

5) – for our nation, during this election time!

We are trusting in God for each of these prayer requests and we truly appreciate your bringing these before the Throne! In each situation, God is in control!

We want to wish you a Happy Thanksgiving as you celebrate with family & friends, and a very Merry CHRISTmas, celebrating the birth of our Saviour, Jesus Christ!

We thank you for your love for Grenada and for us!

Serving with joy unspeakable,

Kerry & Terri Psinas
