

The Quinlans to Micronesia

Dear Praying Friends,

February 9, 2018

Thanks to everyone for your prayers and support. We praise the LORD! For His provision and blessings as we serve on the island. We have seen two adults, two teens, and three children make a profession of faith since our last prayer letter. We also have seen visitors at the church and have had a sailor join our membership since the last letter.

The military ministry is seeing some progress also and are finding it challenging to reach the military and get folks involved. We will have a family transferring in March to Italy. It is really sad to see folks go. Please continue to pray over our outreach and door-to-door visitation. We started in a new village to help our members to reach people in their neighborhoods. Tammy and I are very encouraged by our core group trying to witness to coworkers and classmates. The Catholic culture here is difficult to break through; but with God, all things are possible!

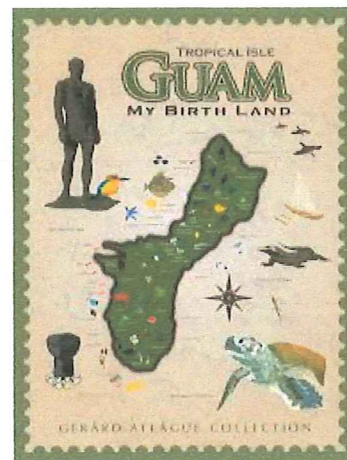

Our construction around the building with pouring concrete is making progress. The men of the church will pour another pad 20' X 48' and a handicap ramp at the building entrance. We are grateful for the ability to continue step by step.

Please continue to pray the LORD will provide a pastor for Lighthouse. I have been encouraging the lay preaching ministry among our men. We now have individuals from the mainland, Micronesia, and Guam, that can bring messages when called upon. Please pray also for the other church plants in the South and in the North of the island. They each have unique battles based upon the people groups and population where they are located. Praise the LORD people are being saved and discipled.

The family is doing well. Thank you for the encouraging Christmas cards and gifts. Rachel is doing well at Pensacola Christian College and is adjusting to her new class and work schedule. The rest of us are putting our all into our portion of the ministry and home schooling.

We are so thankful to the LORD for allowing us to continue here and thank Him for your desire and burden to reach the world with His Glorious Gospel.

In His Service,
Sean and Tammy
