Sean Quinlan  
PO Box 7015  
Agat, Guam 96928

Home: (671) 688-0299  
Cell: (671) 688-0279

The Quinlan Family is doing well as we serve in Guam. Though the family has battled the flu, we are excited to be at the final stages of planting the Lighthouse Baptist Church in Santa Rita. The LORD has not yet provided a pastor; and our church covets your prayers and any information as we are busy seeking a leader. In the meantime, we are busy with the ministries of the church and outreach ministries.

Since our last prayer letter, we have seen four people saved, two baptized, and two adult ladies join our membership. We are also excited about three couples that have been visiting and growing in faithfulness. Some great news also from the ministry is the news that a couple that served with us in the past will be returning to Guam to retire and will be focusing their energies on outreach to the military through a servicemen's center using the new building. This couple may also have family members coming to help with this ministry at least at the beginning. This is truly an answer to prayer.

The family is doing fine. The adult kids are or will be taking classes in college by September; and each of them have their ministries at Lighthouse. Tammy is busy with homeschooling and ladies' ministries

Some prayer needs are

- ◆ Pastor and family to take leadership at Lighthouse
- ◆ Pike/Alexander families moving back to the island, military ministry
- ◆ Wisdom/health for Quinlans, Hursts, Henderson families
- ◆ Discipleship of new converts and church growth
- ◆ Finances to build the 2nd classroom floor on building

Finally, we wanted to thank you all so much for your faithfulness and help as we serve here. We always sense the prayers and concerns for our family and are so thankful to be a part of your outreach to the world.

Joyfully serving,  
Sean and Tammy

Finally, my brethren, be strong in the LORD, and in the power of His might. Eph. 6:10
