

“Northwestern Ontario News”

Update and Prayer Letter from the Rasmussens, your missionaries to NW Ontario

Sometimes, God just does above and beyond what we could imagine!!! July 2017

We have been blessed:

1. Great VBS turnout.
2. Safety of workcrew
3. New house- beyond what we dreamed.
4. Hugg family coming for VBS/project
5. Rachelle came to help with VBS

We ask prayer for:

1. Funds sufficient for finishing project.
2. Finish the house so we can move in next month.
3. Bob to regain strength in his leg.
4. Pastor for Friendship Baptist Church

We are so overwhelmed at God’s blessings! In just under a month, the new house is finished! It is doubled in size with a new roof, windows and siding and new drywall inside. Our contractor, Clarence Moore, was determined to do all the things that Bob couldn’t do himself. Now there is just a list of tedious and time- consuming things to do inside. It is so beautiful inside that we have a hard time believing that this is where we will be living soon.

In the midst of all this, we had a week of Vacation Bible School on July 17-21. The Lord provided the Jeff Hugg family from Granite City Baptist Church in Minnesota to come help. They were such a tremendous blessing! The two older boys worked all day with the construction crew while the rest of the family split their time with VBS and the new house. We had an average of 22 kids each day. The Lord provided a bus and driver for the first 3 days. We also had some of the church people doing skits and supervising. Even my

daughter, Rachelle, came up for two weeks to teach one of the groups. It ended with a Friday night program where Bob gave out the gospel. Over 50 people were there. it was a lot of work but a time well invested in the lives of young children.
