Dear Church,

Greetings in the name of Jesus Christ from the Ritchie family serving in Ulaanbaatar, Mongolia. God has blessed during the past five years as we have partnered together for the sake of the Gospel. Over our first term, by God's grace, we were able to learn the heart language of the people, as well as see a number of individuals saved, baptized and organized into a local assembly, which is the budding commencement of a church that, Lord willing, can reach beyond the south side of Ulaanbaatar to other parts of the country, and eventually, the world.

This is already beginning to happen as Khan-Uul Baptist Church supports two missionaries, and we are involved in two other church planting works that will one day become autonomous assemblies in their own right.

Of course, we could not have accomplished this alone. We are very grateful to the Whitener family for co-laboring with us in this good work. We are thankful to you all for joining us in our vision by supporting us both prayerfully and monetarily. Most of all, we praise God for His faithfulness, giving Him all the glory, for it is God that gives the increase.

As you know, we are back on furlough until April 21, 2017. We look forward to seeing those of you that have already scheduled a meeting with us. We are available to visit other churches as schedule allows, and we can certainly speak over the phone or face to face by Skype at any time. Also, we have prepared an 8:33 minute DVD presentation showing pictures and video from our ministry that is included with this letter. We hope that this will be a help and blessing.

Once again, thank you for all you have done to keep us on the field. We look forward to many more fruitful years together as we endeavor to bring Mongolians to Christ.

In Christ for the Harvest,
Jason and Mary Ritchie
