

The Sellers Family
REDEMPTION OUTREACH
and the Collins Children's Homes

September – November 2017

Dear Friends and Supporters,

Merry Christmas from Nepal. We are looking forward to the Holiday season even though we will be away from four of our children. Everyone is doing well and the Lord is moving. Thank you for your prayers and financial giving. It is because of you that we are able to stay on the field and preach the gospel to the Nepali people.

Elections. There are many changes taking place in Nepal. We have just recently been through an election for the Constitutional Assembly. The Assembly will appoint the next Prime Minister. There were several bombings and a little unrest, but all in all things went fairly smooth. We noticed no problems but some of our other missionary friends were close to some bombs. The government of Nepal continues their assault on religious freedom. In October laws were passed that would require jail time, even for foreigners, for converting someone to another religion, or saying derogatory things about Hinduism and the religious culture. Please remember that many people have worked in Nepal under similar laws in the past. This is par for the course in Nepal. It is serious, so please pray for us and all the missionaries that are here in Nepal.

Children's Home. Please continue to pray for the children's home work. Five of the children in the home have not made professions of faith. We have noticed however over the last three or four weeks that there has been a strong presence of conviction. We are going through the Bible in one year in our daily bible time at the home. The last three weeks have been leading up to the crucifixion. Please pray for Ashish, Rona, Jebika, Jabar, Nirmal that they would come to a saving knowledge of Jesus Christ. As for the others – Rekman, Bisal, Suman, Mary, and Unisha, they are growing in the Lord and we definitely see fruits of repentance. They Lord has been dealing with issues of faithfulness, integrity, honesty, and diligence. What a pleasure to see them grow.

Church Planting. Top and Mena in the Midwest will soon be moving closer to Masina in order to give more time for that work. The work at Surkhet and Masina are both growing and we have seen real progress in the works. In Baitadi, Rajendra and Esther continue to work and the church is growing. Bro. Rajendra and Esther recently made a trip to Haat, a place I have visited before, and saw a lady come to Christ. What a blessing. Please pray for both these families as they serve the Lord and we transition over the next month or so.

Witnessing. Please pray for our neighbor who comes and speaks to us regularly that we will see the gospel penetrate his heart and him come to Christ. During this last year we started back with a Nepali language tutor. Language is a constant need for prayer. Pray for our language tutor, that we would continue to have opportunity to share the gospel with her. Each of us has been able to share the gospel in some way with her in Nepali. There are other missionaries that have used her as well and the seed of the gospel has been planted. Pray that we are faithful to plant and water.

Thank you again for your faithfulness. We pray that you all have a Merry Christmas and Happy New Year. Take time for your family and don't take it for granted. Pray for those who do not have the same opportunity.

For Christ Alone,

Chad W. Sellers
