“For I could wish that myself were accursed from Christ

September 2017

Dear Friends and Co-Investors in the City of the Great King,

In July and August when our attendances go down because of school break, God still blessed with 111 saved and 15 baptized in the church and its ministries.

Our VBS was a tremendous blessing. It was absolutely remarkable how God worked. A total of 690 attended for the three days ranging from ages four to eighteen. Forty-seven received the precious blood of Christ to pay for their sins. We are following up on each one and trying to reach others in their families for Christ. The VBS theme was simple – “My son, give me thine heart.” God worked mightily each day, but especially on the third day. Over 100 teens made wholesome decisions to stay pure, get involved in church, and allow God to use them as His “pottery showpiece,” or His chosen vessel to the world – see Acts 9:15. Several of them made decisions for full-time service. We had a skit each day. In the skit were True Heart, Evil Heart, Young Christian, and the King. Each day Evil Heart tried his best to get Young Christian to do wrong and to disobey God’s Word. True Heart tried to persuade Young Christian to listen to the voice of the King. Finally, Young Christian decided to listen to the voice of the King. In doing so, he is rewarded with true riches and heavenly rewards. The final day, a big treasure chest was given to him. It was filled with gold and precious jewels glimmering and brimming out the top. It was really one of the great VBS’s we have had. The next week following VBS was teen camp. Many more good decisions for Christ were made there.

We are gearing up next month for our mid-October faith promise mission conference. It is always one of our most anticipated events in the church. I love world missions and the opportunity it affords to give more to the evangelization of the lost around the world. We are moving nearer to the great event of Christ’s second coming. Until that time we are staying in the vineyard keeping busy with the harvest. Please stand with us and thank you for persistently praying for us. If you can, please come and visit us in the “land of many waters” – Guyana. And don’t forget, we can do with a few more laborers here.

In Christ Jesus the anchor holds,
