

THANK YOU FOR YOUR PRAYERS AND SUPPORT!

God is so good and has answered two very important requests this summer! After holding church services at the Country Inn and Suites conference room for nearly four months, the Lord opened the door for us to meet at the Newnan Crossing Elementary School. It is the largest elementary school in Coweta County, very close to our previous location, and therefore familiar to the Newnan community. We moved into the Newnan Crossing Elementary School on the first Sunday in August and what a blessing it has been! The staff has been very accommodating for which we are thankful. We meet in their multi-purpose room and rent a room for our nursery. On October 1, we will be adding Sunday School and will be renting an additional room for the children's class. We have plenty of room to grow in this new facility and are praising the Lord for it! In addition to praying for a larger place to hold services, we have also been praying for the ability to baptize new believers. The school has approved our request to have a baptism service. We have purchased a horse trough and will be able to use the school's facilities to fill it with warm water. Our first baptism service will be held September 17th, and there are many that we hope to see follow the Lord in this way!

We have introduced Saturday soul winning and have had folks come to go soul winning for the first time in their lives. It has been encouraging to see people step out in faith and obey the Great Commission! Souls have been saved both through door-knocking and at the Sunday morning services. We hosted our second canvassing activity with eighteen in attendance and canvassed the area with the John and Romans, tracts and change of address flyers for the church. Many people have visited the church and continue to attend due to the canvassing efforts.

On a personal note we welcomed our little girl into the world on August 19th. Mattie Ann and Jessica are doing great and we are thrilled about how God is growing both our church and our family. Please continue to pray for souls to be saved and for God to be glorified in all that we do at Solid Rock Baptist Church. Thank you for your continued support!

For His Glory,

Pastor J.R. Smallwood
