July 2017

**Thank you for praying** for the public school's Religious Instruction class! Sam obtained permission to continue teaching the weekly classes instead of only coming several times a year.

Sam has gotten many **opportunities to preach**. John Allen translated for him to **teach in the pastors' conference**. He also enjoys meeting with Blumen, a believer from church, most weekdays for **Bible studies and language learning**.

Sarah Glover has been a blessing by teaching us more Melanesian Pidgin as we meet with her many times a week. We also enjoy helping in some of her **literacy classes** by grading the homework and assisting reading groups. This also helps us to hear and practice the language.

Mary Beth has been helping in the **obstetrics clinic** on Tuesdays and with several baby deliveries. It's a blessing to work with Lena Allen and the other nurses while ministering to these Kamea ladies. She also enjoys working with the **church choir** on Saturdays and Sundays. She has also continued **teaching** Becky (a national pastor's daughter) several days a week so she will be prepared to join Tommy when he starts first grade at the end of August.

Besides the pastors' conference, we have also **helped host** several groups of visitors, including a team of nurses and student nurses from Pensacola Christian College.

**Please pray for future evangelism trips** into places that are not currently being reached on a regular basis. Sam would hike with the national pastor and some other men from the church. We ask you to pray that God would open doors to see people trust Christ, direct possible future church plants, and find any men interested in coming for Bible education.

We plan to work here learning more language and helping in the church while asking God to open doors for future church plants or Bible school in His timing.
