And all the people saw him walking and praising God: Acts 3:9

Oh that Christians would be seen publicly praising God. The lame man, who was healed in this passage, was not ashamed to praise God publicly. And because of his loud praises to God a crowd gathered for Peter and John to preach to, not a bad idea, aye?

Church

We would appreciate your prayers for many of our people continue to struggle with infirmities; Rosa has problems with her feet since her diabetic coma, Bernabé suffered severe blood loss after having a tooth pulled and has not been healthy since. Marvin and his family have been sick with the many diseases, as our family has been also. Praise God they were all in church last night for the first time in weeks.

We have had about ten visitors over the last two months but none the have stayed, yet. Please pray for Gabriela who has visited three times now. I had the opportunity to spend a long time with a man named Ruben at his home. I Explained the simple gospel of Jesus Christ and he acknowledged it with his head, but he could not accept it in his heart. Many that we speak to are so blind to the gospel that they hear the message of **faith in Christ alone for salvation** and then they equate it to their church going or their good works.

Blessings

We were blessed to have a church buy us a new refrigerator, shoes for the children and many other needs. Our God is so good to bring us support from afar when the needs seem so overwhelming. We have been blessed by many people caring for the children, to those of you that give specifically to the children's need, I thank you! We often struggle to find the money for doctor visits, medicine and school supplies and you all have been a great blessing.

Prayer

Please continue to pray for souls here in Siguatepeque and for children that the Lord has given us to care for. Victor is currently very sick and needing the nebulizer daily to help him breath. Please pray for him.
