

THE STAGNER FAMILY

May-June 2017 - Prayer/Update Letter

That the generation to come might know them, even the children which should be born; who should arise and declare them to their children: ⁷ That they might set their hope in God, and

Dear Fellow Labourers in Christ, **not forget the works of God, but keep his commandments: Psalm 78:6-7**

The sweet Psalmist of Israel, by inspiration of God Almighty, pens and proclaims the importance of continuing to reach and teach the generation to come. Throughout the years, decades and centuries Israel would be found serving God faithfully as well as forsaking Him altogether. Israel would be blessed and judged by a righteous God according to the truth found in His word. Such truth makes plain a promise laid before the people of God by the Lord laying before them a blessing or a curse, it would be their choice to choose between the two. Whichever choice would not only be for the adults, but without fail, it would be the generation to come, the young souls growing up watching and witnessing the lives of those who came before them, setting a pattern of how they will serve the Lord or not serve Him. The grave importance of passing on the truth of God's precious Scripture to the next generation was the difference between receiving a blessing or suffering judgment.

We too have such responsibility laid before us today. If the generation to come, who is the church of tomorrow, are going to receive Christ as their Lord and Saviour, it will only be if those in the current generation take the opportunity to send the message of God's loving grace through His pure and perfect Scripture. Let this be the driving force in your life to make an eternal difference in the lives of those around you, souls of all generations, insuring we do not forsake the generation to come.

Saron Chapel Independent Baptist Church - Aberaman

The past two months have been a mighty and wonderful blessing, one filled with liberty and unity in the local church as well as sweet growth in our youth club. At the same, many are aware of the tragic events suffered in England at the hands of wicked terrorist. In light of such tragedies, we held a memorial service on a Wednesday night in June. We were greatly encouraged by having well over 30 in attendance, while at the same time by the great effort of our members and youth, who brought their parents and tirelessly invited classmates to attend. Please continue to pray, our services and multiple Bible studies are still moving along well, striving to make a difference.

Saron Chapel South IBC

The Lord has continued to bless Saron South with consistent attendance by our core group and a few visitors who have 'popped' in as a result of receiving a leaflet through the door. I am thankful, one of our couples have stepped up to be involved in the music program, something of which they are very talented in doing so. We are remaining steadfast in the community and ask you to please pray for continue growth and a massive impact throughout our village and surrounding areas.

Prayer Requests

I thank you all for praying for my parents' health, the building situation at Saron South, our youth club and the continued growth of both churches. Please continue to pray for these things as well as our living arrangements as we have to move house in the upcoming weeks in to a different home. We are eternally indebted to you all for your sacrifice and partnership with us on the mission field. May the Lord bless your faithfulness.

Till the Shout,

B.J. Stagner and Family
