

# Brining the Fatherless to the Father

“.. SUFFER THE LITTLE CHILDREN TO COME UNTO ME.” MARK 10:14

**BIMONTHLY**

Dear Friends and Family,

Jan-Feb 2017

**Christmas Program:** Each Christmas season gives us the most opportunity to share about Christ. Many will come to church on Christmas Day that will not come other days. We went three evenings to sing carols and pass out tracts. On Christmas Day, we had over 200 in attendance at our program with many Hindus and Buddhists. We were able to share the true meaning of Christmas.

**Kul Bhadur:** During Christmastime, we also had a husband and wife stay with us from the village. The wife was from the church plant that is ten hours away. The husband, Kul Bhadur, was not a believer. He had a large stone in his bladder and had an operation. The wound was not healing well because of being discharged too quickly, but this was part of God's plan. During his visit, he was able to hear about Jesus and what He did for him. The day before he went back to his village, he received Christ.

**Menuka** – Another salvation came when one of the children in the home realized she had not really understood before that the salvation was for her. In devotions, we had been focusing on eternal security, then it was followed up by a ladies testimony. The next day, Menuka came to my wife and told her that she needed to be saved. We are thankful for her listening to the Holy Spirit's prodding.

**Are all gods the same?** We have been making quite a bit of visits. One visit we made ended up

with us sharing the gospel to a sixty-year-old lady. The lady that we went to see has a shop and this sixty-year-old lady comes to frequent her shop. She “happened” to come the day we were there. Being introduced as a pastor can quickly lead into things of Christ. It was a good visit but something that we hear time and time again came from her mouth, “All gods are the same.” It is hard for the veil of darkness to be lifted from their eyes. Please pray for Brinda Kutual. She has said she will come to church.

**Getting Ready for Baptism/ New Year** - Nepali New Year is during the middle of April, and then we will be in the year 2074. Soon after New Year, we will have a baptism on Easter. So far, there are nine candidates wanting to be baptized. Please also pray for this time as the devil can fight the candidates to not take this step.

### Conference: Spiritual Conference –

Soon we will be hosting a Spiritual Warfare Conference in our church. Please be in prayer for the people here. Nepal is in the 10-40 window where a stronghold of Satan is very evident and we need teachings like this to strengthen believers in Nepal.

We continue to thank you for your continual support through prayer and finances. Please do let us also know how we can pray for you too. Through Christ alone,

*James & Holly Tamang*
