Beloved prayer and supporting partners. Pray all is well by the grace of our Lord Jesus Christ. Please continue to lift us up in your prayers.

**Purging**

Romans 8:28 is dear to many Christians who are going through trials, and over the past weeks, we have been clinging to its truth. In the last newsletter, I mentioned about many members in our church who were going after the teachings of the Pentecostal and Charismatic movements. As a pastor, through God's grace, I have done my best to teach and warn them against these teachings. Yet, the hearts of many of the people were unmoved, and they continued to gravitate towards these seductive errors. During this time, we were in continual prayer and sought the counsel of many. Despite our best efforts, the church ended up divided. As a result of all of this, we now have begun ministering and meeting in our home with those that wanted to maintain a conservative and Biblical understanding of Scripture. It has been a very rough road for us emotionally, spiritually, and personally. Yet, we know that we have done right based on our Biblical understanding of truth, and our conscious before the Lord. Please pray for us as we heal.

**Health**

What a difference in ministering when the church has a different outlook and is not clogged with feelings, emotion, and experiences, but trust in the Word of God. Ministering to the remnant has been blessing and the joy to us. It has been encouraging even in times like these. God has blessed us with in 40's on Wednesdays and 60's on Saturdays. We have been having a blessed time ministering to these folks through teaching, nurturing, and encouraging.

**Bearing**

Five young people have searched their hearts and came to us and have now solidified their faith in Jesus Christ. Good things come out of everything to them that love God. God has showed us many ways how He is faithful to us by showing us the fruits of the labors. We praise God for His faithfulness.

**Sowing**

Since then, we have been able to focus on reaching the lost. Currently, in our services, we have 12 people, who are not saved, that are attending off and on. We have been able to visit with them personally and minister to them and teach them of the Love of God and share the Gospel. Pray that they would respond to the Good News and put their faith in Jesus Christ as Saviour.

Through Christ alone,
