

A Letter From T.J. & Tamala Tilley TILLEY'S TRAVELS

"GO YE INTO ALL THE WORLD
AND PREACH THE GOSPEL..."

MARK 16:15

Dear Supporters,

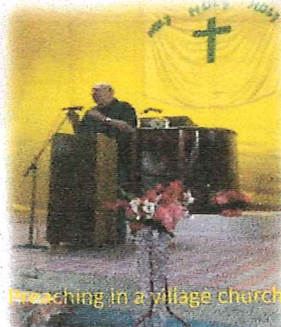

We have deep gratitude for our untiring prayer warriors and faithful financial supporters, so we try to put emphasis on this each time our prayer letter leaves our home to the great churches and individuals that are involved in our ministry. Our Lord has given us a very large area in this world to reach the multitudes with the Gospel of our Lord Jesus Christ. Because of these efforts of training preachers and laymen, the Gospel has been extended into many areas, and, as a result, many churches have been planted. Thank you for your involvement in these areas.

Our travels took us to India in March and April. The Lord has some wonderful national pastors who labor hard and for long hours in order to get the Gospel to their people and establish churches. Right now in India, the Christian movement has some hindrances because of government issues. The nationals do not have the restrictions which are placed on foreigners, so at least the work the national pastors are doing can continue if they were properly trained in the beginning. However, those who are depending on foreign sources are hurting now, and it appears that this may eventually get worse in the coming days.

Concerning our health, several weeks ago T.J. had some chest congestion and a cough. It developed into some extreme weakness and other issues, which caused him to be hospitalized overnight. But, praise the Lord, for the last few weeks he has been able to preach and is mostly back to his regular routine. Please keep us in prayer.
