### JANUARY-MARCH 2018 PRAYER LETTER

Dear Pastor and Praying Friends,

*"Though He slay me, yet will I trust Him:" (Job13:15a) "...Blessed are all they that put their trust in Him." (Psalm 2:12b)*

**HEALTH UPDATE** Though I have been struggling with my health for the last ten months, and I have been down and confined to home for the last four months, except for doctor visits, these visits were not getting me up and going. We are now trying alternative medicine. Thus far, I have had Vielight therapy on an LED Bed, Photobiomodulation brain therapy, and NovoVi oxygen therapy for the brain five times. Monday, March 19<sup>th</sup>, I will start Hyperbaric Oxygen Chamber therapy. Insurance covers none of these therapies. Though I need at least 40 Hyperbaric Chamber treatments, we only have the funds for 10 treatments. These treatments are five days a week and the other treatments are 3 days a week. Since these treatments are in two separate places far apart and each of them take hours to complete, Marie will have to drive around 100 miles three days a week and 50 miles the other two days and wait on me all that time. Please pray for her, because this is taxing and tiring.

**NATIONAL BIBLE PUBLISHING MONTH 2018** We encourage churches to help us each year by participating in the NBPM Campaign. Many churches have a burden for the publishing and the distribution of the Word of God to missionaries and national pastors around the world with a version that is not corrupt. That is why we publish the KJV and use the Textus Receptus in translating foreign languages. A NBPM Campaign can be any month of the year, but many do it in the first six months of the year. Also, not only do churches do it, but vacation Bible schools, Christian schools, Christian Bible colleges, junior church programs, etc., have helped. Some churches do it for more than one month. Others do a Christmas in July NBPM Campaign, and several others use November or December to celebrate a Thanksgiving gift to Jesus or a birthday gift to Jesus for Christ and His Word. Whatever month you choose will be a blessing and a help. You can go on our website, [www.bpsmilford.org](http://www.bpsmilford.org), to order your promotional and teaching tools, posters, bulletin shells, coin folders, and Bible offering envelopes or call our office at (513) 575-1706.

**NBPM COUNTRIES WE ARE EMPHASIZING** Though we help missionaries in many other countries, the following countries are the ones we are highlighting this year: **Wales**, Honduras, Japan, and Myanmar. **Wales** is one of the four countries that make up the United Kingdom. Wales is a religious country with many of their 3.1 million people professing to be Anglican, Methodist, and an increasing number professing to be Mormon. It was not that way a little over 100 years ago. God used a preacher named Evan Roberts to stir the hearts of young people in 1904-1905. This movement of God became known as the Welch Revival. Young people began to experience the reality of God's divine power and traveled in teams with Evan Roberts throughout the country which revolutionized churches. Pastors there trained by BIMI Missionary James Ray want to reclaim their country for Christ. **Will you have a NBPM campaign in your church and help these precious preachers and their people reach their country before it's too late?**

Last year was our greatest year in the BPS Ministry. We were able to publish 12 million Scriptures. You precious friends made this possible. We are extremely grateful for your giving with the world God so loved in mind. Your concern is a great encouragement. Thank you for your prayers for our Bible Publishing ministry and for our family. You are loved, appreciated, and prayer for.

Yours for Christ and His Word,

**Bob & Marie Ford—Eph. 3:20, 21**
