### 30,000 John and Romans

We are looking forward to the evangelistic outreach at the Tour de France this summer. One of our supporting churches is working at preparing 30,000 John and Romans with a special cover for the Tour de France. Please pray that the Lord would provide the finances for the shipping and import fees. We are looking forward to a college team from the US that will be coming to help with this outreach.

What a great blessing it has been to be back home serving the Lord where he has called us to minister. We have been blessed to see people grow in their walk with the Lord, and also additional people coming to the church. Several of these people have come previously to the church and have started coming back.

Thérèse is one of these recent additions. Please pray that she would grow in her new found faith in Christ. There is a strong

possibility that she will move away from the area. Pray that she would have victory over certain difficulties that she is facing.

Please be in prayer for the services in Luchon. It has been a little difficult to have consistency in those who attend the service. Several have also moved away from the area.

I had the great blessing to teach at a Bible institute in northeastern France during the first week of March. It was encouraging to see the students desiring to grow and learn about our Creator. Please pray that God would lead in the life of one young man in particular. He is considering coming and doing a short “internship” with us this summer.
