Spring 2018 Newsletter

Dear Friends in Christ,

Greetings to you in the precious and holy name of our Lord Jesus Christ. May this newsletter find you dear ones blessed and prosperous in the dealings of the Lord!

Call to Heaven: On January 16th at 3am Geneva left this world to a better world and is now in the presence of our Lord. As you know she was diagnosed with Alzheimer's, but over the last three and half years I never heard her complain one time. We were so happily married for nearly seven years. She was a very, very conscientious Christian. She felt like during a mission conference at her home church that she was called to mission work. Not long after this call, I met her and it all came together. The first three and half years of our marriage we were doing work for our Lord in many churches by getting New Testaments mailed out to Jewish homes. We did work in Mississippi, Alabama, Tennessee, Florida and North Carolina and with her help, we were able to get hundreds and hundreds of New Testaments in the mail.

Special Thanks: We want to give a special thanks to her three daughters and their families who were there for us during this entire time of need. All the nurses, aides, and chaplains with hospice that helped Geneva over the last couple years were truly special and a blessing from the Lord for both Geneva and I. Also, another special thanks to Senior Pastor Miller of Central Baptist church who performed Geneva's service, and brought great comfort through his message. During the service, Suzette and Ray's son, Nicolas, responded to an invitation to accept Christ as his Lord and Savior. All Glory to God for this and join me in praising the Lord for his faith. I believe no Christian dies in vain and we pray that the faith of his grandmother, Geneva, will live on in him and continue the Lords work for years to come.

Going Forward: The priority of our ministry has always been to get the Word of God into the homes and hands of Jewish people. By the Grace of God, I will continue to travel to different cities and states to continue this work. With your prayers and support, I know God will bless this ministry and give me the strength to carry this work far into the future. Thanks again to everyone who prays for me and this ministry. Your prayers are greatly appreciated and felt every day!

In Christ,

Bro Jack Davis

Remember to keep looking up for He just might come today!
