

THE HALL Family

Dear Friends and Family,

On Fridays I meet up for Bible study with Pieta, a man who got saved last year. Last month he invited a friend of his, named Mandy, to join. Because she was new we went back over the Gospel. She like many other South Africans was convinced she was just like us because she had a church background. We went through the Scriptures seeing God's description of man, of Christ, and her own righteousness had been torn away from her. I believe she left that day unsaved but under conviction and unsure of her salvation. Just a couple weeks ago Pieta got her to come to church. Afterwards we have our growth track for visitors and she was the only attendee that day. I and two other church members witnessed to her for about an hour and she trusted Christ as her Lord and Savior that day! She plans to get baptized the second week in April. Please continue to pray for her to grow in Christ.

The ministry in Kuyga is getting closer to getting started. We are very close to having a place to meet. Right now we have about 15 people (adult, teens, and children) that come to Grace from this area. They basically all live on the street where our meeting place will be. We are super thankful for those that have given toward this building project.

A Special thank you goes out to Joy Baptist Tabernacle for their gift of \$500. Thank you!!! We are still short around \$2500.00 if you would like to give. That would be funds for the roof, plumbing, and electrical. It is a small structure but will work great for us.

Here are some pictures of the progress

People at Grace have also made contributions to get the building finished. If you do send a gift please send it to us and put "building fund" in the memo.

Here are a few pictures of the baptismal service

We baptized 3 people in our baptismal service in February. Hudson, our middle child, was one of those! We look forward to baptizing a few more this month. We thank God for continuing to save souls and their faith to follow Him.

Please pray for Wells Estate Baptist Church and Madiba Bay Baptist Church as both are having struggles right now. They could really use your prayers along with their pastors Lubabalo Sitole, and Babalo Nyumbana.

Corli and I just celebrated 14yrs of marriage! Time flies! I am very thankful for my wife and the children God has given me. Our family is continually amazed at your faithfulness in helping supply us with the resources to work here. May God truly bless you!
