

Dear Praying Friends and Family,

Loving greetings to you from the hot and humid summer here in Myanmar. Through my studies from Galatians, the Lord has brought to my attention the significance of staying true to the faith once delivered to the saints. Praise the Lord for the Gospel of Jesus Christ that has redeemed us and set us free from sins.

### Conference

A team of sixteen from Tucson Baptist Church of Tucson, Arizona, and a missionary couple from China helped us hold a conference for three days. Many of our alumni attended the conference from various parts of the country. The preaching of God's Word, the split sessions, the music, and the fellowship with friends from abroad have been a tremendous blessing to the students, alumni, faculty, and our church members. One of the many wonderful lessons I learned from the conference is servant-leadership, which the team had demonstrated through their humble service. The auditorium where we had the conference had to be partitioned before the split sessions, but the team did it all cheerfully every single day and didn't even allow us to help them. Their service speaks volume to me and to the rest of us. Moreover, they took care of the conference expenses besides bringing numerous gifts for all the attendees. May the Lord bless them abundantly for their labor of love.

### Graduation

We are so thankful to the Lord for enabling us to graduate 18 young women and young men on February 3. Many of them have already had churches waiting for their pastorate. It was a blessing to have the conference team from Tucson to take part in the graduation service. Dr. Brent Armstrong preached a powerful message from Philippians chapter 1 and missionary Laterza gave the charge to the graduates from Philippians chapter 3.

### Summer Gospel Teams

We have sent out two summer gospel teams since graduation. The Lord has blessed their preaching and decisions were made for the Lord. Currently, the third team is ministering in nine villages. Please pray that the Lord will use them. Next Sunday evening, I will be taking a team of nine to Cheng, the southern part of Chin state for a week of camp. I definitely covet your prayer for us that souls would be saved and believers would be edified. Moreover, two of our faculty members are conducting youth camps in the northern part of Chin state and many people have profession of faith.

### Building Project

We wanted to thank you for praying for and contributing to our building project. The Lord has orchestrated our circumstances in such a way that He provided us a piece of land that is three times bigger than the previous one. A new building law has been passed fairly recently that would not allow us to build a six and half story building as we had originally planned. We felt like we were at a dead end. The prayers of the saints avail much. With the money we got from selling the land, we were able to purchase a much bigger one! Praise the Lord. Please continue to pray for us as we are in the process of applying for a building permit. Also continue to pray that the rest of the needed funds will come in.

We are ever thankful to you for the privilege of partnering with you for Christ in Myanmar. Lord bless.

In His service,  
Hung, Priscilla, Rachel,  
Becky, Samuel, and  
Ruth
