Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

February 2018

Dear Friends,

We trust this letter finds you well. In this letter, we want to share a few blessings with you. In our last letter, we shared with you about our first mission's month and our faith promise. We thank God for how our folks have been faithful in their faith promise. We are excited to share with you that very soon we will be taking on our first missionary. Our church is very excited about this step of faith. Please keep praying for the spiritual growth of Hope BC.

A few months ago, through another missionary, I was introduced to a man named Jeff. Jeff has a great desire to learn English so he has been attending our English class on Friday nights. This has been a great chance for us to help him with his English and share God's Word with him. A few weeks ago he was the only one that attended English class. God worked this out for us. We answered some English questions, then our English class turned to Chinese as I began to share the gospel with him. I shared with Jeff about how Christ loves him and died for him. He did not get saved but we thank God for the chance to share God's Word with him. It was a great time for us to get to know him more. His family is Buddhist. As he got older, he followed their leading. He began giving and following the Buddhist ways and very quickly realized that they do not work and definitely do not satisfy. This has pushed him away from Buddha and away from other religions. I believe that Jeff will be saved soon. In addition to our English class, he also has started attending our Sunday morning service. Please pray for Jeff and his wife to be saved. We thank God for the blessing to be able to share the gospel with Jeff.

In the middle of February, we had our annual winter camp. God blessed it and we had a great crowd in attendance this year. One young lady from a church down south got saved. We thank God for her faith in Christ and we thank God for His blessing our camp this year.

We ask for your continued prayers for our family and our church family. Please pray with us for our Easter service.

Please pray for us as we are planning a short furlough after Easter. We will be back in the States for just over two months. Please pray for the church while we are back. We have scheduled speakers to come and speak to the people. Please pray for these speakers. Also please continue to pray for Corey and Jessica Kershner and their language study. This is a great opportunity for Corey to practice his Chinese as he will be leading the song portion of the Sunday service as well as our Thursday night prayer time while we are away.

We are praying for you all. God bless you as you continue to serve Him.

For Him,

Jon & April Flowers
