Shalom Cherverim (Friends)!

This month marks 7 years since we began our ministry in Cleveland Ohio! Since then, we have seen many saved, and many more have been given the Gospel message! Thank you for your prayers and support! You will meet people in heaven, whom God brought the Gospel message to through this ministry! You have a very real part in all that we are able to do by God's grace!!

### BLESSINGS AND TRIALS

**BLESSINGS:** When we first felt the Lord calling us to move down to NC, I desired of the Lord that if we made this move, He would help us to reach more Jewish people than we ever did in Cleveland. Well, we're finally starting to see that prayer answered! I never imagined how the Lord

would do this, or that I would be daily giving the Gospel message to Jewish people all over the world!!

**In the last month, using social media, I've made contact with over 280 Jewish people (mostly Israelis)! Some of these whom I've given the Gospel to, are Israelis who would not likely have heard the Gospel otherwise, such as bar owners, actors, a tattoo artist, and many others. Lord willing, this will continue week after week.**

It is amazing how everything is falling into place with our radio ministry being a perfect fit with this social media outreach! **We currently have had almost 700 listeners tune in from 43 countries! God knew that all of this would come together before he ever called us to leave Cleveland. Now I know at least part of what He had planned for us all along! If this outreach continues at this rate, I will have reached well over 1,000 Israelis and Jewish people with the Gospel message by the end of the year! Praise the Lord for His wisdom and leading!! Please pray for this outreach, that hearts are receptive, and that people would get saved.**

**TRIALS:** As missionaries, we are supported solely by the gifts and commitments of churches and individuals. Normally when a missionary changes to a "different field", usually there will be some loss in support. Our support fluctuates from month to month. Since we've moved, especially recently, we've had some difficulty in this area. **Please pray for our ministry in this time of testing. We are making leaps and bounds with Jewish evangelism, but at the same time are experiencing difficulty with our support. I will be going back out, visiting new churches, and seeking to bring our support back up. If you are a church that we've presented our ministry to in the past, but are not a supporting church, would you please pray if the Lord would have you help us reach Jewish people world-wide by supporting our ministry? THANK YOU TO ALL WHO PRAY, AND TO ALL WHO GIVE! WE COULDN'T DO ANY OF THIS WITHOUT YOU!**

### JUST AROUND THE CORNER

Whenever we've had difficulties or trials in ministry, it has always been before something big was about to happen. We are trusting the Lord, and can't wait to see what He has for our ministry on the other side of this test. Before the Lord brought the radio ministry into our paths, I was having one of the greatest physical trials of my life with my gall bladder issue. We recently found out that our oldest son, Seth, is allergic to tree nuts and peanuts. Just last week we had to call 911 after he had a severe reaction to eating some fish sticks! Who would have thought that fish sticks could contain "trace amounts of tree nuts"? What we are doing makes Satan VERY unhappy. Sometimes God allows tests and trials to strengthen our faith and trust in Him. Many times in this ministry, I have become discouraged. I believe this is the "storm before the calm" as a Gospel song says. We are eagerly anticipating what God has in store for this world-wide outreach! **Will you please pray for our ministry, evangelism, outreach, and the growing of Jewish Awareness Ministries?**

## SCHOOL OF BIBLICAL AND JEWISH STUDIES

We have been busy recording, editing, and posting lessons, and adding to the courses we are trying to put together. We are hoping and praying to soon release this to the public, hopefully sometime this fall. **Please pray for this effort, for the technology to cooperate, for believers to be blessed and equipped, and for the Lord to be glorified!**

## REVISITING NADAV AND HIS FRIENDS

Back in April, my friend Bob and I went to see if we could minister to some Israelis at a mall near Chapel Hill, NC. We met two Israelis named Nadav and Jonathan. They gave us some Matzah, and we gave them some "Bamba" snacks (Israeli peanut flavored Cheetos) and our ShalomShalom.radio business cards. I didn't know if we would ever see either of these men again.

This last month, my family and I wanted to see if we could minister to some more Israelis at a mall near our dentist. After our appointment, we went to the Triangle Center Mall in Wake Forrest, NC. I brought with me a large bag containing more bags of Bamba snacks, radio business cards, and Hebrew Gospel literature.

Imagine my surprise when I see Nadav again! I had my oldest son (Seth), and my daughter (Lauren) with me. They are always fascinated to meet Israelis! I think the Israelis get a kick out of my kids as well, being American Christians, and yet getting so excited to meet people from Israel! I didn't realize until we got to the mall, that Seth was wearing his IDF (Israeli Defense Forces) bracelet that I bought him in Israel. Nadav was talking with two of his Israeli friends when we walked up.

The kids and I waited there for I'm sure what seemed like an hour to them (it was only about a minute and a half) before Nadav noticed we were waiting to talk to him. He pointed his finger and smiled saying that he remembered me. I recognized his face and was praying that his name would come back to me. "Nadav right?"

He was happy that I remembered his name! I reminded him that we were Christians who believe that Yeshua (Jesus) is the Messiah, and that we love and stand with the Jewish people! He and his friends took the Bamba snacks that my kids handed them, and Seth showed off his bracelet. Besides Nadav, there was a man and a woman (probably both in their 20's). The man's name was Michael. He was impressed I could pronounce it in Hebrew. The woman didn't give her name. She asked if I was Jewish. I told her that my dad is, so it depends who you ask. She kind of chuckled and nodded her head in agreement. I could tell by the way she responded that she didn't view me like the orthodox would, but accepted me as Jewish even though my mother was not. It was a refreshing contrast to the angry orthodox storekeeper in Jerusalem, who shook her finger at me as if to scold me, proclaiming "You're NOT Jewish!"

All three of them took Hebrew literature. One took "Teheleem" (Psalms in Hebrew) with Messianic prophecies highlighted with NT fulfillments; one took "The life of Yeshua" (which is excerpts from the Gospels, but not the whole New Testament, so it is not "forbidden" to receive); and one took the book of John in Hebrew. All three of these had the radio business cards in the inside cover which I pointed out, and asked them to listen. **Please pray for Nadav and his friends to trust Yeshua (Jesus) as their Messiah!**
