

THE HILLIARDS

Serving our Lord in the Amazon

PRAISES

- Now at 65% of support
- Shaney's expecting!

May/June 2018

Dear supporting churches and friends,

Thank you all for your continued prayers and support. We have had an exciting last two months and are thrilled to update you on several things!

A recent major event was a solar technology class, specifically for off-grid living. Nick took this week-long class and learned much valuable information that we will be able to incorporate in our future in the Amazon. He learned everything from water filtration to solar water heating to a "cooler house" design to creating energy for using household appliances. We are thankful that he was able to take this course and learn so much about making life easier on the mission field.

Another exciting milestone for us is that we have officially reached 65% of our support level! With that in mind, we also have a specific prayer request. Our goal for departure is this November! God has given us a full fall schedule, and we are anticipating great things. Will you please pray that support continues to come in and that we are able to make our goal? We truly believe that this is the timeframe that God has in-store for us!

Our last major bit of news is in our family. We are thrilled to announce that Shaney is expecting our third child this December! This news has also created some changes to our upcoming medical trip. One of the requirements for the medical team is the yellow fever vaccination, because this is a live vaccine, the hospital strongly admonishes against it for pregnant mothers; therefore, Shaney will not be going. Nick will leave July 22 for the Amazon. Please continue to pray for safety, souls to be saved, and future connections in these villages to be made.

Thank you again for partnering with us as we strive to reach the tribes of the Amazon for Christ.

In His Service,
Nick and Shaney Hilliard

PRAAYER REQUESTS

- Upcoming medical trip in July/August.
 - Safety
 - Open doors
- Continued safety while traveling.
- November departure and all the details involved.
