Dear Friends and Family,

God has been so good to us here in Port Elizabeth, South Africa. We continue to see steady growth in the church and the potential for things multiplying grows greater each day.

Our Bible Institute students are busy writing exams this week. I continue to get good feedback about all they are learning. Several are getting opportunities to put it into practice each week teaching and preaching in the different churches. One student, Pastor Babalo Nyumbana wrote me a heartfelt thank you this past week for all the ministry that has been poured into him to help him become the man he is today. That is a direct result of people like you giving and praying for the ministry here!

This coming week we are going to have a baptismal service Lord willing. Pray we would be able to get our baptismal pool repaired. It has a small leak that we cannot seem to find. Hopefully it will be fixed as we have 2 or 3 wanting to be baptized and join the church.

This past Saturday I did a funeral for Hendon Hall. He battled cancer and was finally laid to rest after a pretty rough battle towards the end. It was an awesome outreach opportunity for our church. He was a well loved man with a big family and many friends. They poured into the church and I was able to preach the gospel to them. Pray that more of this family would come to Christ.

The Lord is blessing at Grace. God has put it in the hearts of several of our younger men to preach. Currently there are 5 guys at Grace that have a desire to preach and be in the ministry. They all have different obstacles in their way. That is just part of the process in deciding how we will spend our lives. We all, no matter where we grow up, rich or poor, black or white, have to make hard decisions in how we will spend the vapor that God gives us on earth. Pray for these men that they would choose well. (Their names are Stefan, Pieta, Kyle, Damien, and Nathaniel - The Bergey's son)

Right now our church is working hard to prepare for our VBS. It is not until July 2nd-6th but the way we are doing it this year is totally different. It has lots of skits and opportunities for our people to serve so we are trying to be well prepared for it. This is a big week in our church and we want to hit it with all we have. We are putting thousands of invitations into the schools and posters up around town. Pray for us to be ready and for many children and teens to come to Christ..

Thank you for all of your prayers and support we really appreciate it. I assure you that you are making an eternal investment. May God Bless you for it!

Doing Our Reasonable Service,

*The Hall Family*
