

August 1, 2018 Prayer Letter

Proverbs 3:5 *“Trust in the LORD with all thine heart; and lean not unto thine own understanding.”*

Dear Prayer Partners,

Once again we are writing to you from Camp Joy in Wisconsin, where we are attending “Family Week” with our mission board. This week is a great opportunity for us to receive much needed ministry training, but it’s also a time for us to be challenged spiritually, as well as a time to enjoy fellowship with other AFBM missionaries, board members, and staff. Please pray for all of us at Camp Joy, as our iron gets sharpened this week.

Deputation has been going well! We recently rolled 100k miles on our car, and the Lord has clearly protected us from accidents all along the way. We rejoice in sharing with you that since our last letter, one more church has taken us on for support! Praise the Lord!

There are more praises to report as well! As some of you know, on June 19th, the Lord miraculously protected our oldest son, Andrew, when a golf cart fell off a lift at work, and hit him in the head. Praise God he was never pinned, and never lost consciousness. He had to be taken by ambulance to a local hospital, where they ran tests and found that he had no brain injury, and no neck injury! Amen! He did receive 3 staples to his head, but is recovering nicely. An inspector came out and could find no reason for this accident. We know things could have been much worse, and we’re so thankful for the way the Lord protected Andrew. The Lord also recently protected Jordan while we were gone,

and 2 tornadoes touched down near home. We quickly posted about it on Facebook, and some of you prayed about that as well. Thank you!

We’re also thankful to report another specific answer to prayer: our son Jordan now has a job at a local restaurant! It’s only a couple of miles from our house, and already the management is pleased with his customer service skills, and giving him many hours per week. Amen! We thank you for the prayers you offer not only for us, but on behalf of our sons.
