

## JULY JOY - GRENADA JULY 2018

We just landed back in America yesterday. Our bodies feel like a truck ran over them, but our spirits are soaring!

There were 67 of us in Grenada this month! Team members came from seven different states. There were 41 first time team members and 26 veterans. Vacation Bible School took place in 5 different churches. 500 children registered! Praise the Lord, there were 83 salvation decisions at these VBS! There were also two weeks of street meetings at night, in two different locations. The Word of God went out boldly and there were 10 more salvation decisions at these meetings! Thank You, Lord!

It was a blessing to see each of our pastors and their families, and to worship in three of the churches on Sunday mornings. We truly love these men and the ministries God has called them to. Two of the pastors are really struggling financially - - - Pastor Casimir Thomas and Pastor Garnet Samuels. We would ask that you prayerfully consider supporting one or both of them. On the mission web sight, [igmgo.org](http://igmgo.org), please hit the donate button and follow instructions. Thank you for seeking the Lord's will concerning these precious men.

We immediately hit the road again and continue to share the Grenada ministry in many different states. We will be inviting people to experience a future missions trip with us. Lives are being touched and changed!

We could not do this without your prayers and financial support! May God bless you in a special way!
