

C.A.M.O. MINISTRY

a Compassionate, Active, Military Outreach **ARLAN & ELLEN DAVIS**
Supporting Spiritual Resiliency throughout Joint Base McGuire-Dix-Lakehurst

June-August 2018

Dear Pastor, church family, and friends,
What a great time we have had this summer.

We are rejoicing to say that God has answered our prayer for a home. Many thanks to all who have faithfully prayed for us over the years. Please continue to pray for us as we strive to make it a place where we can meet with folks to share the gospel and be an encouragement to them.

With home ownership comes many blessings and opportunities to praise the Lord: Unknown and unforeseen termite damage (no live ones, praise the Lord), electrical issues (electrical contractor overseeing repairs and donating time and material), contractor's craftsmanship (some good & some not so good), a group of people bought us a new shed and the installation, great price on paint for the interior and exterior, one family has allowed us to use their truck indefinitely, another family has loaned us a utility trailer indefinitely, one man volunteered his time and expertise to repair major termite damage, several folks have helped just moving stuff like dirt, and there is you who have faithfully prayed for us and this endeavor.

The house purchase and all that came with that has made a busy summer much busier. Arlan has made six weekend trips to Florida and Georgia to visit with supporting churches with at least two more to be completed. We have also been in contact with several new churches. Two of them are actively interested in having us come for presentations.

Please note our new address:
241 Platt Ave
Wrightstown, NJ
08562.

We just concluded a meeting with the staff at the NJ Youth Challenge Academy on our installation. They have asked us to provide spiritual support for young people who come to them to participate in their 22 week program. The attendance would be voluntary but we will have one hour per week to share truths from God's Word.

We have a new senior Chaplain, Colonel Michael Husfelt, overseeing the chapel programs here. Please pray for a fruitful relationship as we strive to minister together to the service members here.

We have several of our regular Bible study attenders deployed at this time. That would seem to draw our attendance down but God has sent new folks along. We are very blessed to be involved in the lives of many service members.
