**August 2018**

Thankful and Blessed

We are so thankful for how the Lord had brought together the building that we have for the ministry here in Los Cerrillos. We have seen the hand of God move in this ministry and has definitely shown that we are where we need to be.

Since getting the building at the beginning of June we have cleaned and fixed some minor construction issues in the church. We have started services on Sunday mornings and Wednesday evenings. As a result of visitation and flyers announcing the new church we have seen a number of visitors come to the church. We have a new family of Columbians that live one block from the church who have been coming regularly. While on visitation we have had great responses from the neighbors about the church. We are excited about how the Lord is working and leading this ministry. Please keep us in your prayers as we continue working. This month I am also teaching and Preaching on the importance of the Gospel.

In the month of August we are planning a "Kids Day Saturday." In Chile they have a national "Kids Day" at the beginning of August. We are praying that we can reach families through this activity. Please keep this special day in your prayers that we can reach more people in the area with the Gospel.

### Prayer Requests

- Salvation of the ones that we have witnessed to on visitation
- Church growth both Spiritually and numerically
- Last weeks of Susan's pregnancy (Due beginning of September)
- Health and Strength mentally, physically and spiritually of our family

We want to thank each and everyone of you who have been praying and who give sacrificially that we can serve the Lord here in Chile. We can not do this with out you!

God Bless,
