## AUGUST 2018 PRAYER LETTER

### Backyard Bible Club

For many years now, we have run a big VBS at our church and have seen many children attend, but have noticed that we then do not see those children again for another year. This year, we decided to try something different to try and build better relationships with people that would continue to grow throughout the year. We took the first week in August and invited children in our neighborhood to come and join us for a Backyard Bible Club every day from 10-12 am. We had up to 17 different children come that week and many of them came every day. The theme of our week was the Wordless book, which gave us a great opportunity to share Christ with these children. Many of them still come to play at our house with our kids and three of them are faithfully coming to Sunday School with us every Sunday. **Please pray that God will use the relationships that were started that week, to reach many in our neighborhood for Christ.** Next year our goal is to go in to a few other members neighborhoods and reach their neighbors also for Christ.
