## 2018 June/July Prayer Letter

Dear Friends,

**What a mighty God we serve!** And what a joy and privilege it is to serve Him! Dottie and I have been serving Him now for over 50 years. Nearly 25 of those years were in pastoring and church planting here in the States and now for over 25 years we have given our lives to help get the gospel to our U.S. military serving around the world. **What a blessing!**

In May I preached the mission's conference for Pastor Corey Nepshield and the good folks at Clearview Baptist Church in Southaven, Mississippi. Not only did we have a good increase in mission's giving, but we saw four people saved! **Praise the Lord!** It was a blessing to be with Dr. David McCoy at People's Baptist Church in McDonough, Georgia. This good church has partnered with us for many years in military missions. I am privileged to participate each year in a meeting called "Old Guns/Young Guns," sponsored by Dr. Craig Bennett and Calvary's Harvest Baptist Church, Jonesboro, Georgia. The main purpose of the meeting is for older preachers and missionaries to mentor and encourage younger preachers. I think I was the "oldest gun" there, but my heart was encouraged by the young preachers that are coming up, especially from our black community. There was a good emphasis placed on the urgent need to get the gospel around the world. Of course, I always look for the opportunity to try to challenge young men to consider military missions.

In June I preached in one of my favorite places: Monticedo Baptist Church in Ontario, California. Dr. Ezequiel Salazar is the good pastor and dear friend. We had a very unusual moving of God in the services. **Praise the Lord for His goodness!** One of the highlights of the past couple of months for this old Marine was my meeting at Maranatha Baptist Church in Jacksonville, North Carolina, the home of Camp Lejeune Marine Base where Dottie and I spent several years in the early days of our marriage. The church was packed and there were many Marines in the service. The altar was filled at the invitation. I flew through Atlanta to the meeting and was able to spend a good bit of time passing out tracts to soldiers and Marines in the airport. **What a privilege to serve our mighty God.**
